

PAK a game to give to other team or Email

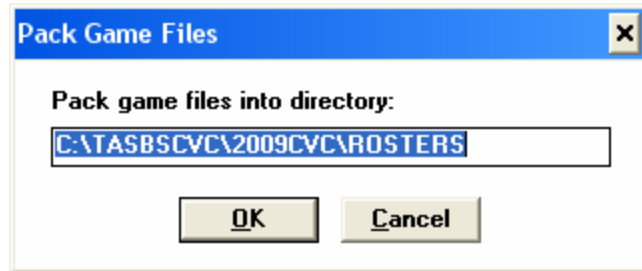

## Open Utilities

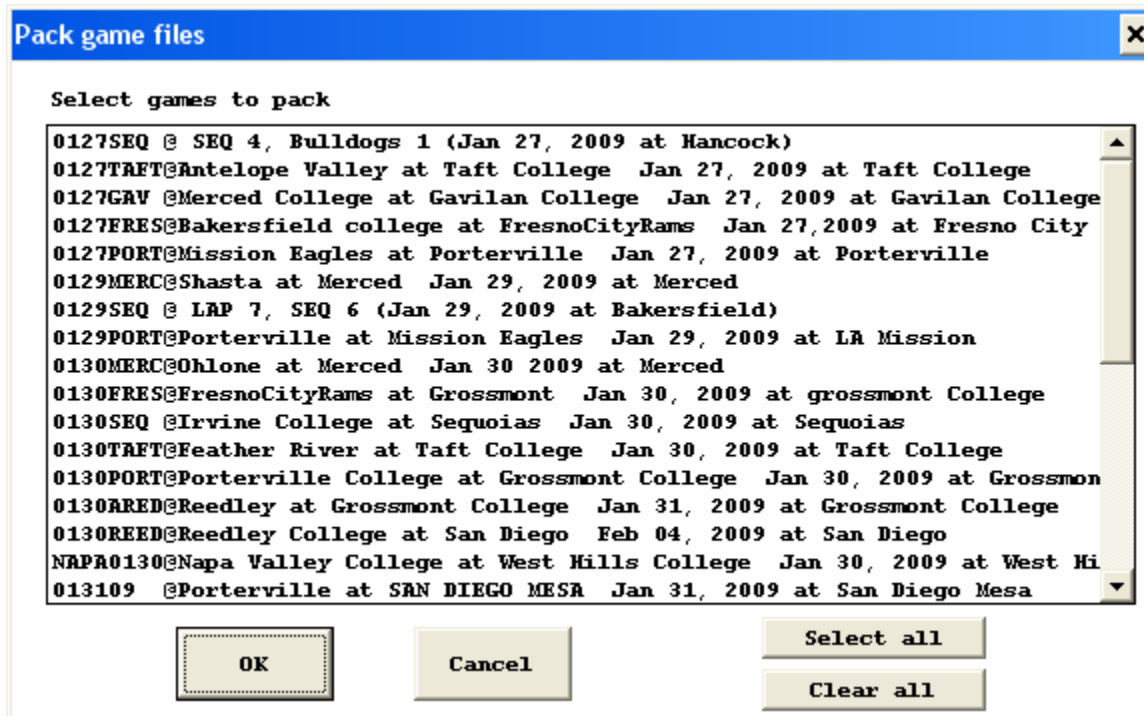

Select Import/export from the top menu...then select Pack game files

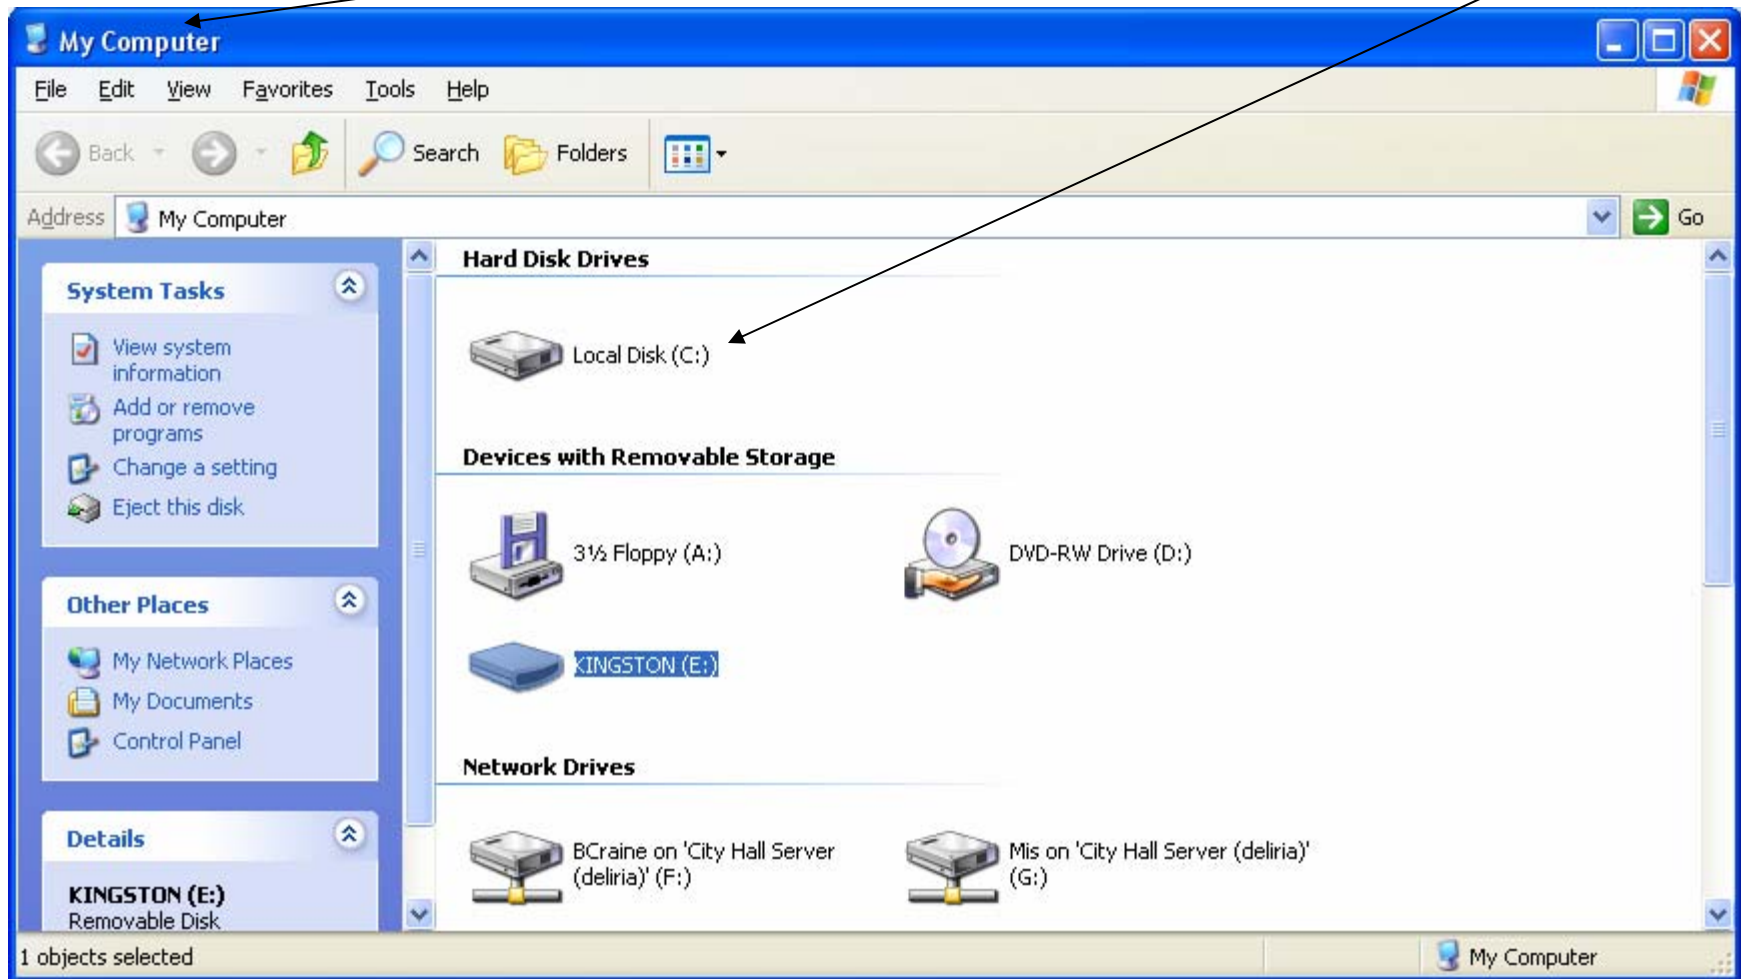

Edit the Pack game file into directory box if needed to read C:\TASBSSEQ\2009\PAK

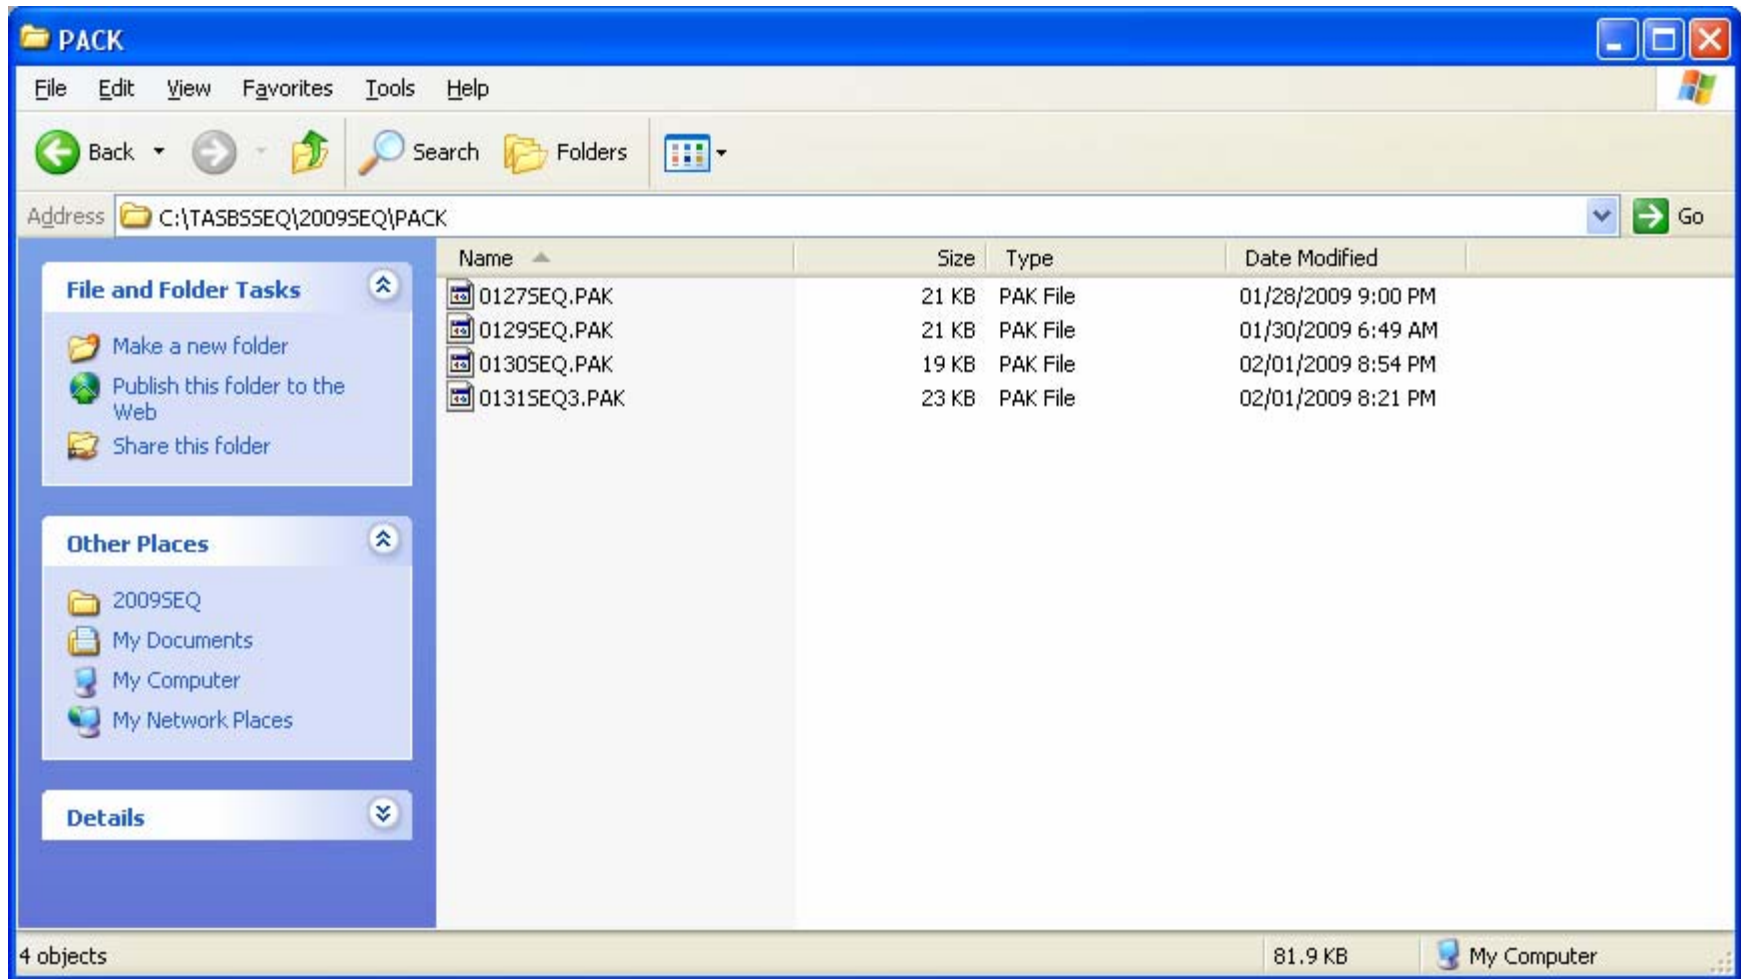

Select the Game or Games you wish to Pack by using the mouse and left click on the game you wish to Pack.

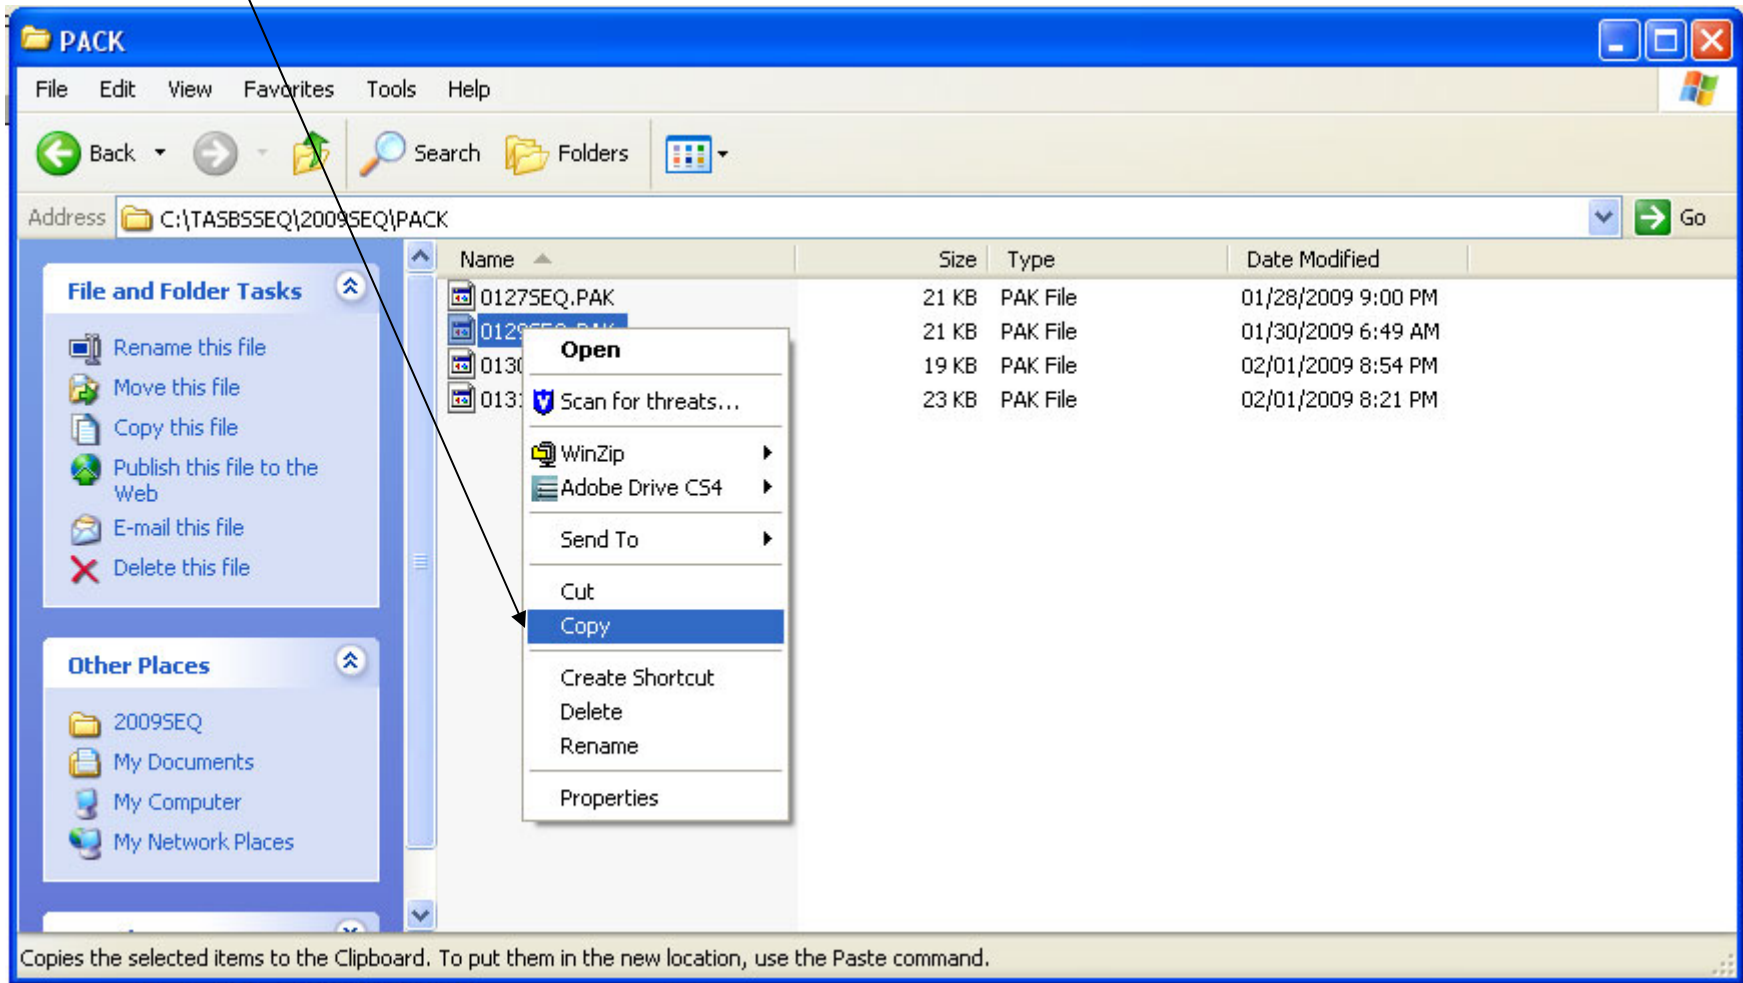

To move the PACK file (s) to a USB Memory Stick you need to first plug the stick into the USB port. Then open up My Computer. Now double click on C:

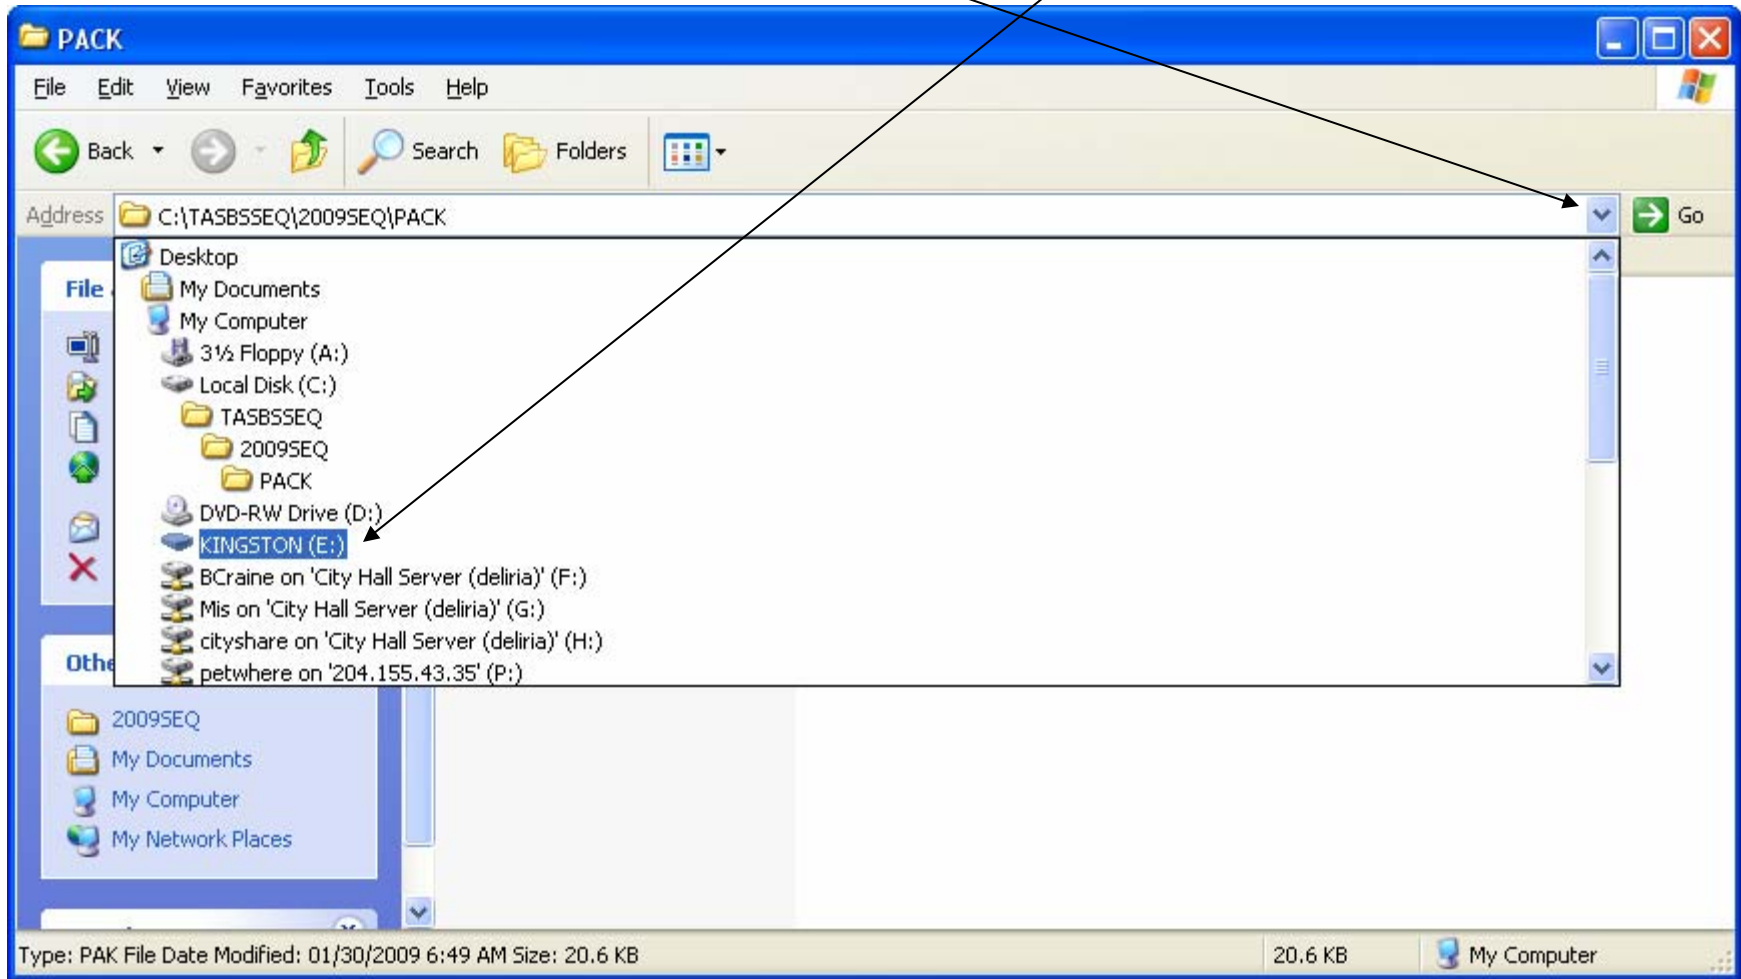

Now double click on the Folder TASBSSEQ, then double click on 2009SEQ, then double click on PACK. You should see your PACK file (s).

Click on the one you want to copy...it will turn blue. Right mouse click and select COPY.

Now...click the drop down arrow. Select the USB Drive (letter may change on your computer) in this example it's E:

Now...right click here and select Paste.  
You are done.
